AT SAN FRANCISCO

LATEST NEWS NOTES FROM THE GREAT PANAMA-PACIFIC INTERNATIONAL EXPOSITION.

The Panama-Pacific International exposition opened auspiciously on February 20, with an attendance of 247,738, establishing a world's record. This does not include those entering the grounds on badges or passes. The second day 75,501 entrances were recorded on the turnstiles, and the third day 120,718 admissions were recorded, and this in spite of rain. The total for the first three days reached 442,957 admissions, as against an aggregate of 180,688 for the first three days of the World's Columbian exposition and 282,154 for a similar period of the Louisiana Purchase exposition. In the first three weeks one million four hundred thousand persons passed into the exposition grounds.

What will undoubtedly prove the most interesting exhibit in the Palace of Machinery to visitors from all parts of the world is the United States Navy collection of models and the latest improvements in scientific instruments. Covering an area of almost fifty thousand square feet, everything of interest pertaining to the navy is shown. Battleships, cruisers, gunboats, submarines, torpedo boats and torpedo boat destroyers are included in the display of the United States government at the Panama-Pacific international exposition.

A \$12,000 organ in the Palace of Mines at the Panama-Pacific international exposition, is proving a wonderful attraction, concerts being given every morning, afternoon and evening by famous organists.

The sprinkling of a lofty evergreen hedge on the southern boundaries of the Panama-Pacific international exposition excites the comment of thousands of visitors. The whole green wall suddenly spurts forth water as if it were a fountain in one of the exposition courts. The hedge is a hollow wall, comprised of shallow boxes lined with mossy green plants, which are screened over the top with fine net wire mesh. The fence that formerly bounded the exposition grounds was utilized as a framework for these boxes, which were set on edge and arranged upon a frame exactly as sections of a sectional bookcase. Workmen can walk in the alley between the double row of hedge boxes, as they face both ways, and create the effect of a living hedge both inside the grounds and out.

Clarence Eddy, the famous organist of Chicago, gave its premier to the great organ in the Illinois State building at the Panama-Pacific international exposition.

The first shipment of polo ponies for an international polo meet, which started at the Panama-Pacific international exposition on March 15th, includes sixteen highly bred ponies belonging to Henry Phipps, the well-known eastern polo enthusiast, who will visit San Francisco for the big tournament to be played on the exposition field. One hundred thousand dollars will be distributed in prizes and premiums and as a result the greatest polo players from different parts of the world have been attracted. More than five hundred polo ponies will be cared for.

There are so many places of interest and amusement for the children at the Panama-Pacific international exposition that the visitor may have difficulty in deciding where to take the children first. One of the best educational exhibits, from a point of view that the children will learn, is the scenic portrayal of what the Dominion of Canada has to offer to the world. The Canadian pavilion contains huge panoramas portraying the scenic charms of the Dominion and exhibits of almost every item of commerce, agriculture, horticulture and mining within its vast expanse.

The various state commissioners to the exposition have formed an organization known as the United States association of State Commissioners to the Panama-Pacific international exposition, of which Adolph Karpen of Illinois is president and Major Fred R. Reed of Idaho is vice president. The purpose of the organization is to promote the purposes for which the state commissioners were formed.

Japan's exhibits at the Panama-Pacific international exposition are the most exhaustive and marvelous ever presented by the Imperial Empire. One that will prove a curiosity is an exhibit of three roosters at the live stock show. The roosters resemble

(Continued on Page 4)

FIFTH CLASS TOWNS

SOME PROVISIONS AND POWERS OF MUNICIPAL CORPORATIONS OF FIFTH CLASS.

We have been asked concerning the powers and provisions of a city of the fifth class, which some Glendale people are agitating at the present time.

The California statutes say that the government of a city of the fifth class (having a population of more than 3000 and not exceeding 10,000) shall be vested in a board of trustees, to consist of five members; a board of education to consist of five members; and whenever a free public library and reading room is established therein, five trustees thereof; a recorder, treasurer, clerk, attorney, marshal, assessor, and other subordinate officers. The board of trustees may at its discretion unite certain offices by declaring:

City marshal elected shall be ex-officio superintendent of streets, and health officer.

The city clerk elected shall be ex-officio recorder and assessor.

The city treasurer elected shall be ex-officio city tax collector and license tax collector.

The city attorney elected shall be ex-officio city clerk.

The board of trustees may appoint a poundmaster, superintendent of streets and a city engineer to hold office during pleasure of board.

Vacancies shall be filled by appointment of board.

Members of board shall receive no compensation except while acting on board of equalization. The compensation of treasurer, assessor, marshal, clerk and recorder shall be fixed by trustees.

No person shall be eligible to or hold office either by election or appointment unless he be a resident and elector therein.

The board shall elect one of their number president and hold regular meetings at least once a month.

The trustees have the power to purchase, lease or receive such real estate and personal property as may be necessary or proper for municipal purposes and to control, dispose of and convey the same for the benefit of the city.

The trustees may divide the city, by ordinance, into a convenient number of wards, not exceeding five. Whenever city is divided into wards, the trustees shall designate by ordinance the number of trustees to be elected from each ward apportioning each in proportion to population.

The board of trustees may at any time submit to the electors at any municipal or special election to be held for that purpose, an ordinance providing for a commission form of government.

L. E. BROCKMAN FOR SCHOOL BOARD.

The Glendale Federation of Parent-Teacher Associations, feeling the selection of a member of the board of trustees for the Glendale school district a very important matter, at its last meeting appointed a committee to select a man who would be qualified to fill the position creditably.

Mr. L. E. Brockman of 452 East Second street, is the unanimous choice of this committee, and seems to be the choice of his constituents in the district he represents. Mr. Brockman served upon the high school board at El Centro, and is a man of keen, sound judgment, who has the interest of Glendale and its schools very much at heart.

Mr. Brockman was loath to accept the nomination, but after repeated requests, has finally consented, and we pledge for the Parent-Teacher associations our earnest support. Mr. McGillis, whose name was mentioned in last night's paper, upon learning of Mr. Brockman's willingness to serve, has withdrawn his name.

MRS. CHARLES TOLL,
MRS. R. W. MEEKER,
MRS. CHARLES HUTCHINSON.

EASTER SUNDAY.

SAN DIEGO, March 26.—A rare musical treat for San Diego exposition visitors has been arranged for Easter Sunday. This will be a mammoth performance of Haydn's "Creation" by the People's chorus under the direction of Willibald Lehmann. This will be at 3 p. m. at the Spreckels organ with an organ accompaniment and instrumental solos. Soloists who will appear are Miss Blanche Lyons, soprano, San Diego; G. Haydn Jones, tenor, and Edwin House, baritone, of Los Angeles.

As an appreciation of the work of the People's chorus the exposition management has not only requested that the oratorio be repeated Easter Sunday, but has engaged the organization to give a concert each month throughout the year.

TROPIC NEWS NOTES

SHOPLIFTER APPREHENDED IN B. B. STORE AND PLACED UNDER ARREST.

No little excitement was created this morning when a Mexican endeavored to do some shop lifting in the B. B. B. Cash store conducted by Mr. Bradford, on the corner of Brand Boulevard and Park avenue. While Mr. Bradford was wrapping a small purchase made by the Mexican, he saw the Mexican slip a handsome silk shirt into his blouse and walk out of the store. Mr. Bradford gave chase and Dr. W. C. Mabry driving by in his car immediately followed the fleeing man and apprehended him and detained him until the arrival of Marshal Gould who soon placed the would be purloiner in the city jail.

Mrs. Harry Bowman, chairman of the program committee of the Tropic Thursday Afternoon club has arranged a most interesting program which will be given Thursday afternoon, April 1, at the home of Mrs. E. Leslie Eames, 915 North Brand Boulevard.

Mrs. Bowman has secured Mrs. Jessica C. Hazzard of Whittier, who will give a talk along household economic lines, taking as her subject, "First Aid to the Housekeeper."

Mr. Murio David, a tenor of the Los Angeles Symphony will give a vocal number. This program which is replete with so many interesting features promises to be one of the most interesting of the year. Mr. Eames will be assisted by Mrs. Samuel A. Pollock, Mrs. Karl E. Hullingsworth, Mrs. H. T. Goodwin and Mrs. H. H. Tisdale.

TRIPLE K'S ENTERTAINED.

The Triple K's were royally entertained Thursday evening with a dinner and whist party at the home of Mr. and Mrs. E. S. McKee, 1428 West Colorado Boulevard. California poppies were used in decoration, great quantities of the lovely golden blossoms being in every available spot. After dinner, whist was played, the first prizes being won by Mr. and Mrs. Andrew Wightman, the ladies prize being a beautiful potted fern and the gentlemen's prize a copy of the book "The Clansman." The consolation a little green pig, was received by Mr. Perce Curtis. After the game, there was a short program, vocal selections being given by Mr. Victor Daniels, Mrs. Buchanan, Mrs. McKee and Mr. Curtis and Miss Mildred McKee read several excellent numbers. The evening closed with a big song by all present.

Among the guests of the evening were Mr. and Mrs. Andrew Wightman, Mr. Victor Daniels, Miss Eva Daniels, Mr. and Mrs. Goodman Phillips, Miss Laura McKee, Mr. and Mrs. Plummer Van Sant, Mr. and Mrs. Frank Buchanan, Mr. and Mrs. Salo Desky and Mr. and Mrs. Perce Curtis.

MID-YEAR FRESHMEN CLASS DEBATE.

The two English classes formed in February from entering Ninth graders had a lively debate at 9 o'clock Friday on the question of increasing the American navy.

In Miss Donichy's room the class was visited by Noble Van Ness and Wilber Lee, who by winning two judges out of three showed Russell Tummel and Hubert Toll that the American navy is sufficiently large. At the same time the tables were turned by Hubert Woods and Clara Viers from Miss Donichy's room going to Mr. Root's room where they proved to the satisfaction of two judges of the three that our navy is large enough.

Congressman Hobson's views lost in each debate. The contest was exceedingly close as each class won three judges. By a close percentage the victory was awarded Miss Donichy's class.

The six judges were upper class students who had had experience in debating, viz. Carol Willisford, Grace Crampton, Howard Stickney, Samuel Durand, George Dyer and Frank Bridgeford.

CHAMPIONSHIP GAME.

The two internationally famous Baraca classes of the Methodist and Presbyterian churches will clash on the Verdugo Park diamond in a championship game tomorrow afternoon at 2:30. No admission will be charged.

DEBATER'S LUNCH.

The debaters at the Glendale Union high school were party to a special summer lunch in the high school cafeteria this noon. Twenty-one members of teams and classes were present. Professor W. D. Root was the faculty member of the crowd. Music by the Victrola and toasts made up the program.

SCHOOL TRUSTEES MEET

PACIFIC AVENUE PATRONS WANT THE SCHOOL GROUNDS IMPROVED.

The trustees of the Glendale city school district held their regular meeting at the Intermediate school Thursday evening with A. B. Heacock, president; John Todd, clerk; Superintendent R. D. White and Architect C. S. Westlake, present. The minutes of the previous meeting were read and approved.

C. K. Robertshaw was present and asked if it would be satisfactory with the board to install a three piece beam in the new front at the Intermediate school, instead of a one piece beam. The specifications call for a one piece construction but the steel contractor of Los Angeles had placed on the ground and ready to install the three piece beam. He was also present and argued the matter and tried to induce the board to accept it but he was ordered to remove it and build one according to specifications.

Mrs. Durham, Mr. A. S. Chase and Mr. Stephen Packer of the Pacific avenue school district were present and addressed the board in regard to leveling and beautifying the school grounds at the Pacific avenue school. Mrs. Durham presented a petition signed by the patrons of the school asking the board to put in a sidewalk along Pacific avenue and also a five foot concrete walk around the school building. The people of this district are very proud of their school property and are very anxious to have these improvements made so they can plant the necessary flowers and beautify the grounds. The board ordered Mr. Todd to have the grounds leveled but the sidewalk proposition was laid over until it is ascertained whether or not there are sufficient funds of that school with which to pay for the walks.

W. A. Anderson was present and asked the board to pass on a claim of \$119.55 which he had filed with the board about two years ago. The claim was for additional excavating and grading and a few extras on the Central avenue school. It seemed to be the contention of the board that this work was included in the original contract and for lack of ready information at hand, the claim was laid over until next meeting and the architect ordered to investigate the matter thoroughly and report to the board so that they can dispose of this claim at their next meeting.

The following claims were allowed and warrants ordered drawn for the same:

Cunningham, Curtis & Welch	\$ 3.30
G. L. Lehman & Co.	108.00
New Engraving & Pub. Co.	2.50
Ernest A. Bode	28.00
Western Hardwood Lumber Co.	10.45
Sanitary Goods Co.	7.00
Dyas Cline Co.	5.40
S. C. Gas Co.	18.05
C. K. Robertshaw	435.00

On account of next week being vacation week the board adjourned to meet in two weeks, on April 8 at 7:30 p. m.

MARRIED 76 YEARS.

Mr. and Mrs. Thomas Slifer of the city of Lanark, in northern Illinois, on Wednesday celebrated the seventy-sixth anniversary of their marriage. They are said to be the only couple in the United States who have lived together that length of time.

Born in Maryland, they came to Illinois nine years after their marriage, and have lived in Carroll county. They are German Baptists and always have lived the simple life. Mr. Slifer has never tasted alcoholic beverages, never used tobacco in any form and never has eaten ice cream. Neither of them has ridden on a railway train in years and neither one has been up later than 9 o'clock except to attend religious meetings in fifty years.

The couple have three children, the eldest being seventy-five. Mr. Slifer is ninety-eight and his wife is eleven months younger.

FOUR O'CLOCK TEA.

Another pretty affair of the week was the yellow 4 o'clock tea given by Mr. and Mrs. LeRoy H. Harrod of 124 North Louise street for friends from Kenosha, Wisconsin, and in honor of Mrs. Harrod's parents, Mr. and Mrs. Charles H. Hurd, who are visiting here.

Many jonquils and poppies, tastefully intermingled with ferns adorned the rooms and table, at which Mrs. Luther Brown poured. Covers were laid for Mr. and Mrs. Hurd, Miss Julia Allen, Miss Harriet Cole, Mr. and Mrs. Charles Arnold, Mr. and Mrs. Edward Thiers, Mrs. Paul Evans, Mr. and Mrs. Robert E. Mailer, Mrs. H. R. Boyer, Miss Frances Charles and the host and hostess.

NORTH GLENDALE

EDWIN MARKHAM, WELL KNOWN POET HONORED GUEST AT LUNCHEON.

Mrs. J. C. Dennerlen of Rosemore Cottage on North Central avenue, assisted by her house guest, Mrs. G. L. Kinnear entertained at a beautifully appointed 1 o'clock luncheon last Friday. The house was decorated with golden California poppies for the occasion, the same motif being used on the table where covers were laid for eleven. After the luncheon the party enjoyed a tramp over the Verdugo hills having a most delightful time. Among the guests were: Edwin Markham, the noted author, Mr. and Mrs. G. Rupert Lesch of Buffalo, New York, the Misses Speigle and Breckenridge and Mr. and Mrs. Gurli Mellenphin of Los Angeles, John Milton Scott and Harry Gaze, both well known authors and lecturers also of Los Angeles and Dr. Harold Palmer, D. D., of Long Beach.

Miss Lucille Pittman of 1001 North Pacific avenue and Miss Harriet Bayard enjoyed seeing Jane Cowl in Within the Law at the Burbank recently.

Mr. Lee Adams, county superintendent of roads began the improvement of Ruth street Thursday, having a number of men busy with teams plowing and getting ready for oiling.

Miss Blanche Davenport of Tropic was the guest of Miss Lucille Pittman at dinner last evening.

Mrs. J. E. McKeever of 421 North Brand Boulevard entertained at a daintily appointed luncheon party on Thursday. The guests who enjoyed the gracious hospitality of the occasion being Mrs. H. C. Stine and Mrs. Charles Stine of Los Angeles and Mrs. Inez Brown of Cleveland, Ohio who is touring California.

Dr. Austin of Los Angeles will be the guest of Mr. and Mrs. S. D. Montgomery of 1617 Ruth street Saturday evening at which time he will deliver an interesting lecture to a number of invited guests from here and Los Angeles.

Mrs. Joseph L. Stagner of 904 Dryden street with Mrs. Stagner's sister, Miss Elizabeth Lange and a party of friends from Los Angeles motored to the Malibu Mountains very recently, reporting a most delightful outing.

Mr. and Mrs. Walter Elliot of North Central avenue entertained at an informal card party Friday evening. The guests who enjoyed the very pleasant evening were Mr. and Mrs. J. C. Bassett, Mr. and Mrs. Andrew Robertson, Mr. and Mrs. Elliott Wyman, Mr. and Mrs. Alfred Priest and Mr. and Mrs. R. L. Phister, all of North Glendale.

CHANCE FOR REAL ESTATE MEN.

Now is an opportune time for real estate men of Glendale to get busy. Hundreds of thousands of people are coming into Los Angeles from the east in the next few months. Many of these visitors will see fit to finally make their home in this beautiful climate, and Glendale is the very place that would suit them better than any other place, providing they get to learn that there is such a place as Glendale. The real estate men of this city and the heavy property owners should unite and employ a capable man to meet all incoming trains to Los Angeles, thirty or forty miles out in the country, and make a liberal distribution of reading matter setting forth the good points of Glendale. The real estate men should get the Billy Sunday way of raising money and get busy for reaping a great harvest. The Chamber of Commerce would better give a proposition like this some attention.

SCENES FROM SILAS MARNER.

Three oral expression classes at the high school presented scenes from Silas Marner in the auditorium this morning. A number of budding players showed their ability. Mr. Owen Dibern's work was especially good. Miss Terry, oral expression teacher directed the work.

The music department is giving its concert this afternoon.

BURRO CAUSES MAN'S DEATH.

Thursday when a man named John Medley of 136 North Los Angeles street, Los Angeles, was leading a small burro at Sunset Boulevard and Centennial street, the animal became enraged and kicked its master on the chest causing him to fall in the way of a moving auto truck. The unfortunate man came to his death instantly.

GLEN EYRIE PARTY

MEMBERS OF EASTERN STAR ENJOY ELABORATE AFFAIR AT MASONIC HALL.

Complete in every detail was the card party with which Glen Eyrie chapter, Order of the Eastern Star entertained last evening in Masonic hall, following the usual chapter meeting. Mrs. David H. Imler, Mrs. C. M. Good and Mr. James Wyvell, the committee having this delightful affair in charge rendered the evening's program one of much pleasure to the two hundred guests who enjoyed whist, five hundred and flinch.

Mr. Earl Coleman and Mrs. Allen E. Boyce scored for highest in whist while in the same game Miss Elizabeth Lange and Mr. H. H. Martin received the lowest. Mr. L. G. Bramble and Mrs. Harry B. Lynch received highest and Mr. Joseph H. Webster and Miss Arbuthnot lowest scores in 500. Handsome prizes were awarded each of the eight successful contestants.

Following the games the guests assembled in the banquet room and there enjoyed a most delicious lunch.

The tables were beautifully decorated in pink nectarine and white plum and spirea blossoms, lending a spring like appearance to the scene, where mirth and happiness reigned supreme.

At midnight the guests bade each other good night, each and all voting the evening's pleasures the most delightful that has ever been given by the chapter. Mrs. Imler, Mrs. Goode and Mr. Wyvell were assisted by Mrs. Lawrence Ellis, Mrs. Alexander M. Beamon, Mrs. H. E. Betts, Mrs. Sallie Campbell Braden and Mrs. Joseph H. Webster, Mr. Edward U. Emery, Mr. Warren Roberts and Mr. John G. Hunchberger.

AN UNIQUE AFFAIR.

On Wednesday evening of this week Mrs. Frederick Baker of 109 North Maryland avenue entertained the ladies who helped her last year with her reception, together with their husbands. The rooms were charmingly decorated with many penants and cherokee roses and the entertainment was unique indeed. First came the "Olympic Games," which were very funny and left the guests so weak from laughter that they were ready to partake of the substantial supper which was served at 10:30 by Frederick Baker, Jr., and his chum Irving Westwood, wearing white caps and aprons. After supper music and readings were enjoyed until a late hour and the guests were unanimous in declaring that they had spent a most enjoyable evening.

Among those present were Mr. and Mrs. W. E. Evans, Mr. and Mrs. Albert Pearce, Mr. and Mrs. Mattison B. Jones, Mr. and Mrs. A. L. Weaver, Mr. and Mrs. Warren Roberts, Mr. and Mrs. H. H. Martin, Mr. and Mrs. E. D. Yard, Mr. and Mrs. R. G. Westwood, Mr. and Mrs. O. E. Clark, Mr. and Mrs. J. W. Usilton, Mr. and Mrs. Freeman McG. Kelley, all of Glendale, and Dr. and Mrs. Gillespie, their daughter Cecelia and Mr. Woodruff Black of Los Angeles.

THE HOUGH'S ENTERTAIN.

Quite an elaborate affair was the dinner party given by Mr. and Mrs. W. A. Hough of 619 South Central avenue on Thursday evening in honor of Mr. and Mrs. Olaf Andresson of Elgin, Illinois, who are visiting here. Dinner was served at 6:30, the color scheme being red and white, a large silver plate with a low bowl of crimson roses adorning the center of the table, at which covers were laid for Mr. and Mrs. Olaf Andresson, Mr. and Mrs. John Hobbs, Mr. and Mrs. Andy Stephenson, Mr. and Mrs. J. A. Logan, Mr. and Mrs. Clyde Carmack, Mr. Dwight Stevenson, Miss Katherine Hobbs, Miss Mary Logan and the host and hostess.

Mrs. Hough was assisted by her daughter, Mary Jane Evans and Miss Dorothy Hobbs. Later in the evening a number of young folks came in to make the time more jolly, and all danced and played games until a late hour. Mr. Andresson, who is a talented singer, gave several fine vocal selections, and everyone declared they had enjoyed a lovely time. Among those who came in for the evening were the Misses Pauline Hamilton, Kathleen Gorman, Amy Miller Noble Ripley, Jamie Shea, Johnny Stauffacher and Lewis Coole.

WINTER IN MIDDLE WEST.

As late as March 25, the middle west is still distinguished by the presence of real winter weather. The mercury at 25 degrees above zero, and a disagreeable snow storm, so characteristic in the month of March are the evidences of a cold spell in the spring.

PAINTING AND MUSIC.

Whereas, while polish, refinement, culture, and breeding, are in no way arguments for artistic result, it is also no reproach to the most finished scholar or greatest gentleman in the land that he be absolutely without eye for painting or ear for music—that in his heart he prefer the popular print to the scratch of Rembrandt's needle, or the songs of the hall to Beethoven's "C minor Symphony."—James McNeill Whistler.

ANNOUNCEMENTS

There will be a ball game between the Presbyterian Baracas and the First Methodist Baracas at Verdugo Park, Saturday afternoon at 2 o'clock.

CARD OF APPRECIATION.

We wish to express our heartfelt appreciation to the many friends who assisted us in our time of trouble and expressed their love and sympathy in the beautiful flowers and in other ways.

MRS. H. M. MERRILL.
MR. AND MRS. S. S. MERRILL.

RETIRED MINISTERS TO PICNIC.

On April 6 at South Park, Los Angeles, the retired ministers of the Methodist church with their wives, and special friends, will meet for a picnic dinner and social time. There will be an especially good program in the afternoon at which time the Rev. W. E. Tilroe, D. D., of Los Angeles will give an address which will be of great interest.

Being a friend of these honored men and women you are invited to join them on this delightful occasion.

C. R. NORTON,

NON-PARTISAN STATE GOVERNMENT.

The bill for the elimination of partisanship from California politics passed the general assembly at Sacramento in the Wednesday night session. Arguments on both sides of the question were lengthy and decidedly warm.

Non-partisan state politics was one of the issues of Governor Johnson's campaign and from the results of the election the passage of this measure was the will of the people of California.

This places the state government on a purely business basis.

M'GILLIS NOT CANDIDATE.

In yesterday's issue of The Evening News mention was made that J. N. McGillis is a candidate for the office of school trustee of the Glendale city school district to succeed A. B. Heacock who refuses to again be a candidate. Mr. McGillis after due consideration says he will not be a candidate and favors the candidacy of L. E. Brockman whose candidacy is now endorsed by the Glendale Federated Parent-Teacher association, published elsewhere in this issue.

PERFECTLY BALANCED TIRE.

"The standard tire is the one that gives the added mileage, and Goodrich tires are proven day by day by this test that it is quality rather than bulk which makes this standard," said Frank Carroll, Los Angeles manager of the Goodrich Rubber Co.

"The mere extra weight of rubber will not give extra mileage, neither will added layers of fabric give more service. If an over balance of rubber is used the carcass of the tire will give out long before the tread is worn down and if extra plies of fabric are used the thread will go before the fabric. It is the perfectly balanced tire which gives mileage and service and it is the endeavor of the Goodrich company to produce this perfectly balanced tire.

"You know what happens when a prize fighter goes into the ring 'hog fat' against a man who is trained down to the minute, who is all muscle and sinew. It is a foregone conclusion that muscle will beat the fat. Mere weight and bulk do not give endurance—it is quality that counts. This is the case with automobile tires. Many tires are offered to the public whose principal claim to merit depend entirely upon the bulk of the material used, and it is a sad fact that many motorists are deceived into believing these claims.

"The fact of the matter is that the tire best suited to give the most miles of service is the one which contains and maintains the highest quality without an unnecessary surplus. The Goodrich company has not only stripped the fat from tire consumer but they have learned in their long years of experience to build a tire that has the real muscle of rubber and fabric, without the fat of needless heavily compounded rubber and extra layers of cheap fabric."

CLASSIFIED ADS

FOR SALE

Teach the boy to be gentlemanly. Let him be ever so bright mentally and ever so keen of wit, but if he lack courteousness and gentlemanliness he lacks something vital to the making of a good impression and getting on well in life.
Every worthy cause goes to success through temporary reverses. Equal suffrage is no exception.

IT'S PROVEN A FACT

We are SAVING OUR PATRONS MONEY in both Quality and Price. Better goods for less money is an asserted truth. Do you realize it? You are losing money every time you make a purchase without this knowledge. Let us prove it to you. Our phone is Glendale 19, Home Phone 524.

SERVICE

is as much a part of our principle as selling. We don't consider a sale made until satisfaction on the part of the customer results. And any one who thinks that because we give credit we deal exclusively with people who are hard up and have not ready money, wants to guess again. Most of our very best customers are people who buy here, there and everywhere, and pay cash—and lots of it—for their purchases. They come to this store because they get better values. Now if you happen to want a value and happen to want to pay cash for it, you will find it here; if you want that same value at the same price and want it on credit, responsible patrons will find that here, too.

Automobile Enthusiasts

are rapidly learning how to spend a genuine morning's outing. In the past week several machine loads of pleasure seekers have left Los Angeles and after enjoying the ride by auto through the congested city and over the good roads through Glendale to the entrance of Sycamore Canyon, where they change to saddle horses (furnished by the Central stables,) and there amidst agreeable environments spend a few hours communing with nature.

The Coffee King

PERSONALS

Mrs. H. W. Pulliam, mother of Mr. C. O. Pulliam of 148 South Kenwood street has gone to San Diego to be away for some time.

Mrs. Helen W. Boyd of 1463 Ivy street was among the guests at a dinner party given by Mr. and Mrs. John Auchenbach of Hollywood on Thursday evening.

Mrs. Vera Lathrop Gay, Mrs. J. G. Knapp and Miss Daisy Long, all of Los Angeles, were guests at a dainty luncheon given by Mrs. Coral Harrison Sloan of 1550 Myrtle street on Thursday.

Mrs. Herman Payne of 109 South Maryland avenue, who has been ill in the hospital for some time, having undergone an operation, is getting along nicely and is expected home tomorrow.

Mr. and Mrs. W. T. Hoblitzel of Meyersdale, Pennsylvania, and Miss Anna Black and Miss Anna Kooztz of Venice were recent house guests at the home of Mrs. Anna L. Smith of Riverdale Drive.

Mrs. E. T. Lodge of Van Nuys will entertain with a large party Saturday evening at which Glendale guests will be Dr. and Mrs. E. F. Archer, Mr. and Mrs. R. M. Grumblin and Mr. and Mrs. Warren Roberts.

Miss Vivian Norton of Los Angeles has been the guest of her grandparents, Rev. and Mrs. C. R. Norton, 373 West Third street. She is delighted with Glendale which was her early home. Mrs. Norton and her guest have gone for a short visit to the homes of C. C. Norton on West Fifty-third street and Ernest Norton on Eighty-fifth Place, Los Angeles.

Mr. and Mrs. Guy Cory and children Wilbur and Ila who are visiting here from Canada, Mr. and Mrs. Richard Siple of Glendale, with their daughter Leasa and son Merdith, Mrs. L. H. Morehouse and two children, Glenn and Adele and her mother, Mrs. Heath of Chicago, were dinner guests at the home of Mrs. M. O. Morehouse of 133 Lomita on Thursday evening.

On Sunday evening Miss Helen Beatrice Cooper of 1411 West Colorado Boulevard entertained a number of friends at her home, taking them through the San Francisco exposition by means of the Radiograph and telling them of the wonders shown on the cards. There were a number of Glendale friends present and those from out of town were Miss Clara M. Kellogg, Miss Barden and Miss Ford, all from Oshkosh, Wisconsin.

Miss Helen Beatrice Cooper of 1411 West Colorado street and her friend Miss Clara M. Kellogg of Oshkosh, Wisconsin, have returned from a most enjoyable trip to the northern part of the state, where they visited the San Francisco exposition, making a systematic and thorough trip through the great buildings and grounds. A trip to Mt. Tamalpais was also included and they were entertained at the University of California by friends and Miss Cooper sang in the Greek theater. Returning, they stopped at Stanford university, where they were also entertained by friends.

MUNSON

The Drug Man

Cor. Broadway & Brand

Mrs. Melville Powell of Corona, spent yesterday and last night with her friend Mrs. P. A. C. Moore of 116 West Fifth street.

Miss Monica Smith of 134 South Maryland avenue was a guest of Van Nuys chapter, A. U., P. E. O., on Wednesday where she gave a talk on Ireland.

Mrs. M. C. Patterson of Riverdale Drive entertained at luncheon recently for Mrs. Martin of New York City, Mrs. H. R. Bennett of Collingswood, New Jersey, Mrs. E. D. Yard of Glendale and Mrs. Samuel Jones and laughter Irene.

Mrs. M. M. Hadsell, who has been visiting her mother, Mrs. A. C. Oliver, 124 Howard street, for the past two weeks, returned to her home in Hesperia, California today. Mrs. M. N. Barnett of Newhall is also a house guest at the home of Mrs. Oliver.

Mr. and Mrs. A. D. Brown of Minneapolis, Minnesota, have been spending the greater part of this week with Mr. and Mrs. C. D. Roach of 1428 Lomita avenue. Mrs. Brown is a cousin of Mrs. Roach whom she has not seen for a number of years and they are greatly enjoying this visit. Mr. and Mrs. Brown are touring the west, having attended both of the California expositions, and will stop at the Grand Canyon several days on their way home.

THOM ESTATE IS OVER MILLION.

Cameron Erskine Thom, former mayor of Los Angeles, retained a life estate in the large holdings he conveyed to his wife, Mrs. Belle Cameron Thom. The actual value of the Thom estate is not given in the petition of Mrs. Thom, filed yesterday in the probate court, to terminate this life estate. It is approximately, however, considerably more than \$1,000,000.

The petition shows that the property was deeded to Mrs. Thom in 1902. The largest asset is approximately half a block bounded by Main, Third and Los Angeles streets. Another large holding comprises 3000 acres in the San Rafael ranch, near Glendale, and property in Glendale.

The stock transferred comprises 227 shares of the Verdugo Springs Water company, thirty shares of the Verdugo Canyon Water company, thirty shares of the North Glendale Reservoir and Pipe company and 300 shares of the Los Angeles Oil company.

The heirs are Mrs. Thom, Mrs. Arthur Collins of London, a daughter, and Cameron D. Catesby C. and Pembroke E. Thom, sons. These have consented to the petition filed by their mother. The consent of Mrs. Collins was given in a cablegram from London received last week. Mr. Thom died February 2, last.

NOTHING WITHOUT EFFORT.

Man does not have things come his way without effort on his part. The man who is not blessed with success in business sometimes stands by and grumbles that the other fellow makes easy money.

"Easy money" is not made so easily, and should the one who talks about easy money be required to endure the hardships of the one who is supposed to be making easy money he would give up under the burden, and come to the conclusion that all money is not made so easily.

The retired farmer who made his money in the middle west, and who is now spending his declining years in Southern California, is envious of his possessions, but where is the young man of today who would be willing to do the work that the retired farmer has done. First as hired farm hand for from five to ten years, and then a struggle of many years on an Iowa, Illinois or Wisconsin farm to make yearly payments when interrupted by an occasional partial loss of crops by hail storm, tornado or flood.

The years and years of hard toil following the plow, working at the side of the threshing machine and the early and late hours doing choring have left their marks on the man who now is said to have earned "easy money." Do away with the absurdity of the "easy money" idea. Get busy Mr. Faultfinder, go out and follow the plow for thirty years, milk ten cows every morning and evening and engage in all other work incident to farm life, and then you will not talk about easy money.

So it is with men of all professions and trades, those who have made a financial success have worked for all they have earned.

Spring Sewing

LADIES, think how helpful a good sewing machine would be to you just now in remodeling old and making new garments. The charm of the SINGER and its new attachments is—you can do everything: Plain Sewing, Tucking, Ruffling, Binding, Hemming, Darning, Hemstitching and Embroidery.

'Perfectly Satisfied With the Place Where I am Trading'

Or I might try Robinson's Grocery and Market,—you have probably thought when you have read one of our previous ads, but

If What We Have Heard About You is True

You are not entirely satisfied with the store at which you trade. We have heard that you are a very progressive person, that you want the best things in life and are willing to work strenuously for them, that you are willing to take up new ideas and methods if they are better than the old, and that when you buy merchandise you want what is fair, what is just, what, in fact, you should have, "FULL VALUE FOR YOUR MONEY."

If you would give this store a trial

You, as hundreds of others have been, would be delighted with our policy of doing business. We buy the best food products that money can buy, we make four deliveries a day and give you prompt and efficient service in every respect, and in addition our slogan and the further demonstration of the fact that you can get "Better Meats and Groceries at Robinson's for Less Money" has doubled and then redoubled our business. Give this Modern Grocery Store your next order of Groceries or Meats.

How much per— —DELIVERED Mile?

THAT'S the Tire Question in a Nut-shell!
Not—"how much does the Tire Cost"—"how much Rubber is in it"—"how many layers of Cotton fabric"—or "how many different Vulcanizings does it go through."

Because,—Results have shown that some of the Tires which have most Cotton, Rubber, Weight and stiffness, give much less MILEAGE and Resilience than other tires made lighter by more expert workmen, through more direct and precise Methods.

Nor is so-called "Mileage Guarantee" worth considering in purchasing of Tires.

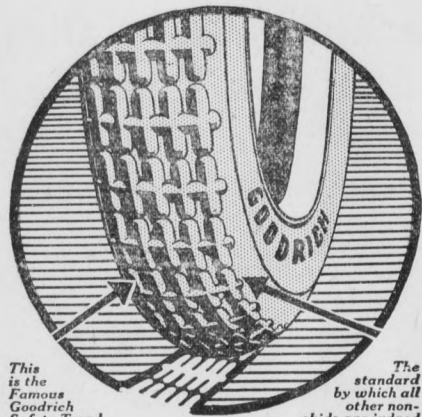

Because,—no Tires are actually guaranteed to give definite Mileage, no matter what the surface reading may suggest.

Such "Guarantee" would be impracticable with the best Tire ever made, or that ever will be made.

—This, unless the Tire User could, in turn, guarantee the kind of roads over which he would always drive, the kind of driving his Chauffeur would always do, and the air pressure he would always carry on each Tire.

THE "Mileage Guarantee" is therefore a deceptive Misnomer.

It does not guarantee given Mileage but is only a figure arbitrarily named "as a Basis for Adjustment" on Claims made for defective Workmanship or Materials.

This is the Famous Goodrich Safety Tread

The standard by which all other non-skids are judged

Read any of these "Guarantees" that are printed (or have the verbal ones defined) and you will see that they don't guarantee anything except that the Maker alone shall decide everything such "Guarantee" is supposed to cover.

The larger the Mileage "Guarantee" the higher the price must the Maker charge, to cover (as with Life Insurance) the increased "risk" of replacing Tires that are reasonably sure to wear out, in considerable numbers, before they have given the "Guaranteed" Mileage.

The Careful Driver, over good roads and streets, would thus pay more than the Tire is worth, so that the Reckless Driver, or he who must continually drive over bad roads and streets, might get Mileage he is not entitled to, at the Careful Driver's expense.

THE Goodrich Safety Tread is the fairest-priced Tire, of similar Quality, in the field.—Ten to 30% lower than other Tires that give less Mileage on average performance, less effective Traction, with more Vibration, and greater tendency to separate the layers of Fabric and of Tread.

Compare the "Goodrich Safety" Mileage Cost with that of any other Tire in the field, and ACT on what the Comparison shows you.

Note the following table of comparative prices on non-skid tires. Columns headed "A," "B," "C" and "D" represent four highly-advertised tires:

Size	Goodrich Safety Tread	OTHER MAKES			
		"A"	"B"	"C"	"D"
30x3	\$ 9.45	\$10.55	\$10.95	\$16.35	\$18.10
30x3½	12.20	13.35	14.20	21.70	23.60
32x3½	14.00	15.40	16.30	22.85	25.30
34x4	20.35	22.30	23.80	31.15	33.55
36x4½	28.70	32.15	33.60	41.85	41.40
37x5	33.90	39.80	41.80	49.85	52.05

If you are charged less for any other make than Goodrich, they are taking it out of the tire; if you are charged more, they are taking it out of you.

THE GLENDALE BOOK STORE 576 Broadway Glendale, Cal.

TWO IMPORTANT FACTORS.

Some one has honestly said that "the traveling man and the newspaper have made the United States what it is. The commercial travelers' share of the building of great, national financial successes is the getting into circulation of large sums of money."

"The newspapers by the publicity they give ventures of capital and labor inspire confidence and thus add to the willingness of the people to invest their money. Hence the two—newspapers and traveling men—become the world's great prosperity agents."

Glendale Evening News want ads bring quick results.

AT SAN FRANCISCO.

(Continued from Page 1)

the ordinary barnyard chanticles in many respects, but they have beautiful long tails of brilliant colored plumes. The tails of one of the roosters, which is the longest of the three, is 10 feet 4 inches in length. They are fed on fresh water fish and rice. Hens of the same variety are on exhibition at the grounds, but they are just plain chickens.

Do you want to hear the most exquisite melody in the world, one that comes right from the heart of infinite harmony and voices all the happiness of all the ages? If you do, some morning very soon you must go out to the Panama-Pacific international exposition and walk by the lagoon whose waters lap so softly against the colonnades of the Palace of Fine Arts. You will hear hundreds of bird voices, the tiny throats swelling with rapture because spring is here, and the sun is shining and the sky is so blue. There are swaggers little sparrows, sleek-coated canaries, bluejays, an occasional gray gull, or a sombre-garbed duck sails out from under the willows and myrtles, and the robins are returning one by one. Fitfully but gently the birds flit back and forth from hedge to willow, from water's edge to myrtle or bamboo, in constant search of a twig or a bit of straw to thatch their nests, which must be ready in time for the little family that always people the home.

One thousand pigeons have been turned loose to build their nests in the Court of the Universe at the Panama-Pacific international exposition, recalling St. Mark's Cathedral at Venice.

One hundred new men, formerly enlisted in either the army, navy or marine corps of the United States, have been sworn in for duty at the Panama-Pacific international exposition. This brings the total force up to six hundred men. Many of the men wear medals awarded by congress for bravery in service. The exposition guard is policing the exposition grounds, assisted by the Pinkerton agency.

Some of the rarest flowers in the world appear in extensive exhibits in the Palace of Horticulture at the Panama-Pacific international exposition. The gardeners who have been inspired to isolate or create new species for the floriculture displays have accomplished many surprising things. A new sweet pea, which might be called the "Exposition Sweet Pea," by virtue of its long blooming period, will be in full blossom from February until December. Great long-stemmed violets will be found in cool patches among the galleries of the palace, purple violets and white violets, violets with little faces and violets as large in their proportions as Shasta daisies, are there. Millions of pansies have been scattered among the bulb plants in the South Gardens and in the palace courts.

The United States Army exhibit in the Palace of Machinery at the Panama-Pacific international exposition is one of the largest ever attempted by the War department. Models of the army transports, mine-laying ships, submarine mines and the latest model guns for coast defense are shown. A group of wax figures showing every variety of uniform worn by soldiers of the United States since the war of 1776 is placed at the entrance of the exhibit.

The United States Revenue Cutter service exhibit in the Palace of Machinery at the Panama-Pacific international exposition, adjoining those of the army and navy, is distinctive and interesting. The latest cutters are shown by models and pictures. The various uniforms worn are also shown. A number of light guns mounted adds interest to the exhibit.

MOVING PICTURES IN CALIFORNIA SCHOOLS.

The use of moving pictures and photography in education in all the schools of California is provided in Senate bill No. 936, introduced by Senator Carr of Los Angeles, and the measure has the endorsement of the state board of education. It provides a bureau of visual education under the direction of the state board, which shall procure in any manner necessary slides, films, photographs, etc., suitable for promoting education, which shall be loaned to the various schools of the state as needed, and to other institutions when not in use in the schools except that slides and films shall not be used for commercial purposes.

The state board is to act as purchasing agent for securing at cost to the various schools of the state such picture apparatus as they desire to acquire. The state board must publish a catalogue of its supplies, films, etc., and also such moving pictures, valuable for education, as can be leased or borrowed for school use in California. The bureau shall provide all necessary help and information to the schools of the state for the use of visual education in their work.

The use of the movie in schools has received a great impetus in various parts of the United States and Europe, and films depicting industry, scientific research, microscopic discoveries in animal and plant life, sanitation, sociology and pathology, have a very high educational value.

The time is at hand to exercise good common sense in the handling of fire out in the forest reserves.
